## N. E. I. A. A. TRACK MEET.

### Trinity Scores Only in Semi-Finals.

#### The Preliminaries.

The all-around superiority of the Dartmouth track team and the individual work of Horrax of Williams were the features of the preliminary events which opened on Technology field at Brookline Friday. The number of men qualified by the different colleges in the 11 events Friday were as follows: Dartmouth, 13; Williams, 11; Technology, 11; Bowdoin, 9; Amherst, 7; Wesleyan, 5; Maine, 4; Brown, 4; Tufts, 2; Vermont, 1, and Trinity, 1.

The cold weather and the strong easterly breeze prevented any good time being made in the track or leaping events. There were some good weight performances, but no records were threatened.

The only Trinity man to qualify in the preliminaries was V. G. Burdick, '11, who succeeded in staying in the 220 yards dash. He was unable to qualify in the finals on Saturday.

#### The Finals.

Dartmouth, through the prowess of seven athletes, and despite the loss of its heaviest point-winner, won the 23rd annual championship meeting of the New England Intercollegiate Athletic Association Saturday for the fifth time in succession, and incidentally secured another leg on the 15-year cup for which the colleges of New England are competing. The meet, one of the most exciting ever held by the association, was pulled off under weather conditions which were probably as inclement as have ever been experienced by the association since its organization. The outcome of the meeting was in doubt until almost the last trial of the pole-vault, the closing event of the card.

Up to the last event, the pole vault, the issue was in doubt, with Dartmouth, "M. I. T." and Williams struggling for the lead. At the time the score of the first three teams stood: Dartmouth 27, "Tech." 23 1-2, and Williams 22.

Needless to say, no records were broken, or even approached, as the weather could hardly have been worse. A cold, bleak, drizzling rain, which began in the early morning, was attended by a driving wind in the afternoon, which made it most uncomfortable for athletes and spectators.

The track was soft, and slow time had to be the rule. In spite of this, some good performances were pulled off. The century went in 10 2-5 seconds, and the quarter-mile in 53 seconds. The half-mile was fairly fast, considering the day, while both the mile and two-mile provided good

The leading point-winners were as follows: Hawley of Dartmouth 15, Horrax of Williams 14, Mayhew of Brown 7, Colbath of Bowdoin 7, Kilbourne of Amherst 7, and Kooyumjian of Amherst 6.

## TRINITY-WEST POINT TOMORROW.

### Two With Wesleyan, 29th and 31st.

The baseball team goes to West Point on Wednesday where they will meet the Military Academy. A very close game is anticipated as comparative scores do not show very much difference between the teams. Both have been defeated by Yale and Dartmouth, West Point being beaten by Yale 11 to 5, and by Dartmouth, 5 to 4, while Trinity succumbed to Yale, 7 to 1 and to Dartmouth 7 to 2. Manager Marlor and Captain Connor take with them Xanders 3b, Abbey 1b, Webster c.f., Cook p or r.f., Olsson p or r.f., Carroll 2b, Turner s.s., Smith c, and Brainerd, substitute.

#### Trinity vs. Wesleyan.

On Saturday Trinity meets its old rival Wesleyan, on Trinity Field; then on Monday the two teams meet again at Middletown in the second of the series. The games will probably be bitterly fought by both teams for each one is very anxious to win from the other at almost any cost. The teams are very evenly matched this year, and both will fight until the last minute. It is hoped that the field will be crowded with Trinity "rooters" on Saturday, for they can do much towards winning the game.

Williams, 2d; time, 11s. Second heat, tie between Robson of Wesleyan and Hawley of Dartmouth; time, 10 4-5s. Third heat, won by Pinkett of Amherst; Kelley, Jr., of Williams, 2d; time, 10 4-5s. Final heat, won by Hawley of Dartmouth; Robson of Wesleyan, 2d; Kelley of Williams, 3d; Pinkett of Amherst, 4th; time 10 2-5s.

220 yards dash—Final heat won by Hawley of Dartmouth; Kelley of Williams, 2d; Alexander of Williams, 3d; Seligman of M. I. T., 4th; time 22 3-5s.

440 yards dash—Won by Bacon of Wesleyan; Schwartz of Tufts, 2d; Salisbury of M. I. T., 3d; Littlefield of Maine, 4th; time 53s.

## TRINITY TIES UNION IN TENNIS.

### Singles Even; Doubles Even.

The tennis team met a dark horse in Union Saturday at Schenectady, and were lucky to come away with the match a tie, each side winning two singles and one double. The day was a miserable one for tennis, being rainy and cold, which made the courts slippery, and the balls leaden.

In the singles events Burgwin, Trinity, lost to A. Potter, Union, in a hotly contested match. The first set went to Burgwin, 9-7, after much exciting play. The next two sets, however, Potter captured, 6-2, 6-3, although they were harder fought than the scores would indicate. It might be said here that Potter was runner up in the Middle West Championship last year, and holds the doubles championship of Omaha.

Nelson of Trinity, fell rather easy prey to C. Potter, Union, to the tune of 4-6, 3-6. Potter's serve was the feature of his play, and it bothered the Trinity players at all stages of the game.

The match between Pulford, Trinity, and Fairbairne, Union, proved the first victory for Trinity. The first set went to Fairbairn, 9-7, but Pulford turned the tables at this point, and by superior net play defeated his opponent, 6-3, and 6-4 in the remaining sets. As in all the matches of the meet, the wet ground hindered the men considerably, as it made all the bounds low, and the play slow. Frequently the men would slip just as they were about to run for a ball.

Carpenter, Trinity, and Streibert, Union, engaged in the closest match of the day, three dual sets being necessary before Carpenter won out. The Trinity player won the first set 7-5 and had his opponent 3 love on the second when the Union man braced and took four straight games and afterwards the set 7-5. The third set also was 7-5 in Trinity's favor, although Streibert made some plucky attempts to win, at one time winning the game when the score was 5-4 and 40 love against him.

By far the most sensational match of the tournament was that between Burgwin and Nelson, Trinity, and A. Potter and Fairbairn, Union. The games in the first set see-sawed back and forward until nine all was reached, when Trinity's first team broke through and captured the next two games, thus winning 11-9. Burgwin's serving won him many points and was almost unreturnable. The second set went to Union 6-3, but Trinity carried off the third and deciding one 6-4.

Too much credit cannot be given to Burgwin for the splendid fashion in which he played in this match, his strokes from centre frequently bringing loud applause from the gallery. Nelson played rather more steadily than in his singles, but was uncertain on his kills.

Pulford and Carpenter, Trinity, went

## D. K. E. DINNER DANCE.

### Enjoyable Evening Afforded.

The lodge of the Altha Chi chapter of the Delta Kappa Epsilon fraternity was the scene of a most enjoyable dinner-dance last Saturday evening. The table decorations were the fraternity colors and flowers in tasteful arrangement with combination place cards and dance programs of attractive design. The dance was chaperoned by Mrs. F. S. Luther, Mrs. R. J. Ham and Mrs. R. G. Gettell. The Beeman and Hatch orchestra furnished the music. The guests were:

Miss Britton of Hartford with L. J. Dibble '09, Miss Moore of Hartford with W. H. Plant '09, Miss Olmstead of East Hartford with S. E. McGinley '09, Miss Williams of East Hartford with H. Olmstead '08, Miss Herzer of Hartford with G. Wentworth '08, Miss L. Tracy of Hartford with D. C. Pond '08, Miss Angell of Hartford with J. Groves '10, Miss Walker of Hartford with G. C. Capen '10, Miss Pollock of Hartford with W. F. McElroy '10, Miss Lincke of New Britain with N. F. Pitts, Jr. '11, Miss Spencer of Hartford with H. N. C. Christie '11, Miss Sedgwick of Hartford with C. E. Sherman '11, Miss Preston of Hartford with C. E. Blake '12, Miss Waite of Hartford with J. H. Humphrey '12, Miss Sumner of Hartford with G. H. Tyrell '12, Miss Rice of Hartford with L. H. McClure '12, and W. S. Buchanan '09.

## GOLF MATCH FOR WEDNESDAY.

The golf match with the Maple Hill Golf Club of New Britain was postponed Saturday because of the condition of the links, due to the rains the previous night, but a date will be set for a match later.

Wednesday the golf team will play the 2nd team of the Hartford Golf Club at the golf club and a hard match is expected. The probable line-up will be Peck, Craik, Curtis, Livingston, Clark, Haight or Eastman.

## 1911 IVY BOARD.

At a recent meeting of the sophomore class Clarence Edgar Sherman of Brockton, Mass., was elected editor-in-chief of the 1911 Ivy, and James Porteus of Hartford, Conn., business manager. The membership of the board will soon be complete and 1911 will begin active work on the grey and blue Ivy.

## COLLEGE NOTES.

Dr. Luther reports that an unusually large number of applications have been received for membership in the class of 1913 and that from present indications the class will be a large one.

Dr. Genthe took his class in natural history IX on its third field excursion of the season today. This is the longest trip attempted by the class and includes Meriden, Westfield and West Peak.

## EDITORIAL.

There are now but four more weeks of academic work ahead of the college body, and after that—? It has been the custom in previous years to urge the undergraduates to stay through until Commencement, and "The Tripod" has always done its share of attempted persuasion.

This year will bring the eighty-third commencement at Trinity, and the college will graduate one of the largest classes in its history. The few days following the final examinations are always full of undergraduate activity, and of good times for all who remain.

The festivities this year begin on Saturday night, the 19th, with the senior dramatics in Alumni Hall. On Sunday, the 20th, the annual Baccalaureate sermon will be preached, Monday, the 21st, brings class day in the afternoon, and the Senior Promenade in the evening. Tuesday, the 22nd, is a day devoted to the alumni, being called Alumni Day, and is given up to class and fraternity reunions. Wednesday, the 23rd, will usher in commencement, and the official closing of the academic year.

With all these things in store, it is only right that all the "undergrads" should be urged to stay until the finish, and also that each and every alumnus "feel it his bounden duty" to be present for all or a part of the week.

down to defeat at the hands of C. Potter and Streibert, Union, thus tying the score. The play in this match was of a close character, although not very fast, as the men were tired. Trinity won the first set 6-0, but were unable to keep up the pace and lost the next two 4-6 and 7-9. The last set was particularly hard-fought, Trinity being constantly one game in the lead until the games were seven all, when by the steady playing of Potter the set was won for Union. Pulford played a good game in this match, and steadied his partner considerably, who was extremely fagged out by his strenuous match in the singles.

It will be noticed that three sets were necessary for every match but one, which shows how closely they were fought. After the match Burgwin, Nelson and Pulford left for Boston where they will enter the New England intercollegiate, starting Monday. One doubles team and two singles will be

entered. The men will be pitted against the strongest players in the New England colleges and the Trinity men will have to work hard to survive more than one round. One more match remains to be played with Wesleyan, June 2.

While in college, Mr. Potter studied at the Connecticut League of Art Students, and after graduation he travelled in France and Algiers, and finally among the Alaskan natives, doing many excellent statuettes of them. The New York Evening Post speaks as follows of Mr. Potter's work: "The exhibition of the works of Louis Potter is of so remarkable a character that no one should miss it. It is a pity that so striking a collection should be shown in such poorly lighted rooms. Symbolism is the marked feature of Mr. Potter's work. This is shown in the beautiful statue of 'The Moulding of Man,' the first man and woman gradually taking shape out of the rough marble, and in 'The Messengers of the Most High,' a reredos with the face of the Almighty in relief and a group of angels below, floating in the form of a dove. Among Mr. Potter's realistic pieces are the bronze 'Dance of the Wind Gods,' a grand piece of movement, which has been pronounced the greatest piece of sculpture ever done by an American; 'The Souzono,' similar to one of the Wind Gods, 'The Fire Dance,' 'The Arrow Dance' and 'The Herald of the Storm,' all modelled from Sioux Indians."

## The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.

In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.
